9.	<b>Completion of Survey best time to contact you:</b>	8/6/2012	between 8AM - 5PM, M-F		8/6/2012
	<b>Comments:</b>	doesn't travel that far west. Typically covers the Harrisburg area	STERICYCLE does not generate waste. We pick up the IC waste and transport it to our facility in Pittsburg, PA (McKeesport). The waste is either treated by Autoclave or sent to our incinerator in Warren, PA. In 2011, Stericycle transported and treated 235,758.08 lbs of IC waste from Blair County		most of the questions are for Generators, not haulers
